

CLOUD

Citizens of Lancaster Opposed to Unnecessary Development

From 2017 CLOUD has campaigned against unnecessary housing developments in Lancaster. CLOUD challenged the the excessively high house building targets in the Lancaster Local Plan and in Spring 2019 CLOUD members spoke on this and other issues at the Planning Inquiry.

We are now awaiting the Planning Inspector's report into the soundness (or otherwise!) of the Plan. In the meantime property developers are already submitting planning applications.

Lancaster faces a deluge of planning applications and proposals Ward Field Farm (68 houses) - Council planning ref : 19/01100/REM

North Bailrigg Lane (680 houses) - Council planning ref : 19/01135/OUT

Pinewood Close (140 houses) Grab Lane (210 houses).At this stage, only Ward Field Farm and North Bailrigg Lane are out for planning consultation. The others will no doubt follow.

These developments raise critical issues:

- flood risk
- air quality and pollution
- road infrastructure
- noise and congestion
- pressure on schools, GP practices, hospital places, sewage systems

Take action now write/email your objections to the Ward Field Farm and North Bailrigg Lane planning applications. Join CLOUD and swell our numbers - full details on our website.

Encourage your family, friends and neighbours to object. You don't have to write a massive long letter - a few short sharp sentences in your own words are fine. We have highlighted some of the key issues on our website to help you.
